

Inclement Weather

In the case of inclement weather, HTS classes will follow the action of the Fairfax County Public Schools. If the public schools are closed, then classes will be canceled. If the public schools close early, HTS classes will also close early (at the same time as the public schools). However, if the public schools open late, HTS classes will commence on time. A program-wide email will be sent to all staff and families when at all possible to confirm the HTS schedule, but it is the responsibility of HTS staff and families to listen to radio WMAL-AM 630, any of the major network TV stations, or check the public school district's website, www.fcps.edu, for this information. Please do not call or email members of the Administrative Team or the church office for this information as it will take resources away from us at a time when they are needed for response to myriad details that arise due to inclement weather.
